granted. Several other minor requests

were also granted. A meeting of the

Never before in the history of amateur baseball in this city has a league started out with such prospects as does the Richmond Amateur Baseball

determined to make it a success. Large crowds are expected at the open-

ing games Saturday, as the lengue is now the talk of the town and interest

is being manifested in all quarters.

Probably one of the chief causes leading to this interest is the fact that every section of the city is represented. It will largely resolve itself that a way for the control of the city is represented.

into a race for the supremacy of some

particular locality. The eastern, western, northern, southern and central

parts of the city are all represente-

The East End League, which is about to be formed, it is believed will ask for recognition of the amateur commission, and for the protection of

that body. Amateurs are realizing that in organization lies the strength of the sport, and those who were in-strumental in the formation of the

Richmond Amsteur League and who have given freely of their time and knowledge for its success, are amply

repaid for their efforts by the interest
